# Town&Country COUTURE DESIGN AWARDS 2008

Pamela Fiori, Editor in Chief, Town&Country  
and Massimo Zerbini, Valente Milano,  
Best in Haute Couture

For ten lucky jewelry designers thirteen was a lucky number in 2008. The 13th Annual Town&Country Couture Design Awards, celebrated at the Wynn Las Vegas, brought out the best and brightest in luxury jewelry. Hosted by Town&Country Publisher Jim Taylor, in conjunction with the Couture jewelry show, winners and nominees included new and established companies, some winners in multiple years and many first time nominees. It truly was an evening celebrating the artistry and the craftsmanship of the entire Couture jeweler community.
